2013 Best Places to Work in Kentucky Rankings Announced

Integrity IT and Trilogy Health Services, LLC – Home Office take top honors

FRANKFORT, Ky. (April 17, 2013) – Trilogy Health Services, LLC – Home Office and Integrity IT were ranked the 2013 Best Places to Work in Kentucky by the Kentucky Society for Human Resource Management (KYSHRM) and the Kentucky Chamber of Commerce.

During the Ninth Annual Best Places to Work in Kentucky awards ceremony, presented by Fisher & Phillips LLP, over 1000 attendees joined in celebrating Integrity IT, Trilogy Health Services and 71 other Kentucky companies who were recognized for their commitment to encouraging companies in the Commonwealth to focus, measure and move their workplace environments toward excellence.

Winners were selected from two categories – small/medium companies with 25-249 U.S. employees and large companies with 250 or more U.S. employees. The selection process is based on an assessment of the company's employee policies and procedures and the results of an internal employee survey, administered by Best Companies Group.

Integrity IT, the number one small/medium company, is located in Lexington and serves central Kentucky businesses by providing affordable technology solutions that are an appropriate fit with the client's technology. This is the first year Integrity IT has been named to the Best Places to Work in Kentucky list.

"Employees know when you have their best interests at heart. We work with them to find what they are passionate about and provide opportunities to pursue those interests, even by creating new positions. Our employees are our most important customer," said Phil Miller, president of Integrity IT.

Trilogy Health Services, LLC – Home Office the top winner of the large company category, is located in Louisville and is a leader in senior health care. This is the sixth year that Trilogy Health Services has been named to the list and the first year that they have been named number one company in the large category. Trilogy Health Services was previously named number one in the small/medium category two years in a row, 2008 and 2009.

Trilogy Health Services is dedicated to being the best healthcare company in the Midwest by providing exceptional, comprehensive care to seniors in every community they serve. Trilogy's motto is to be compassionately committed to excellence in customer service. The company culture, values and standards can be defined as the "The Trilogy Difference."

The Kentucky Society for Human Resource Management (KYSHRM) state council and the Kentucky Chamber of Commerce are proud to host the Best Places initiative, as both organizations support the value of workplace excellence as a key component in moving Kentucky forward.

"As human resource professionals, we lead our organizations and contribute to the effective strategies that impact the bottom line," said KYSHRM Chair, Cathy Fyock, CSP, SPHR.

According to Kentucky Chamber President and CEO, Dave Adkisson, "in order to make Kentucky's economy thrive, we must be able not only to educate and employ Kentuckians here, but we also must entice those from out-of-state to work here. The Best Places program does just that."
